- **Tools:** GitHub

Education

Bachelor of Computer Applications (BCA)

HGPI, Kala Amb, Sirmour

2022 - 2025

Projects

Portfolio Website

Description: This portfolio showcases my skills and projects. Developed using React.js and Tailwind CSS, it features a modern and interactive design to effectively display my work and highlight my abilities.

Portfolio Link: <https://about-folio.vercel.app/>

Weather App

Description: This application provides weather information by entering the city name. Developed using HTML, CSS, and JavaScript, it fetches and displays the current weather data for any city using a weather API.
